Social Housing Enterprise Investment Awards Education, Training & Business Start-up Grants

Background

In September 2015 the Housing Executive introduced the Social Housing Enterprise Strategy. As part of the strategy it was agreed that financial investment may be awarded to individuals or groups living or working in NIHE estates to enable development of personal or organisational capacity to improve develop economic activity in the area.

Eligibility

- As an individual applicant you must be a resident in a defined Housing Executive estate or involved in a social economy initiative in a NIHE neighbourhood.
- As an organisation you must be contributing to the social economy of Housing Executive neighbourhood

Demonstrate

You must be able to prove that an award will achieve one or more of the following objectives

- (i) Increase your personal capacity or that of a group to contribute to the local social economy
- (ii) Develop new services that contribute to the local (neighbourhood) economy
- (iii) Increase technical skills/knowledge of an individual or group to develop/deliver their own or their communities social economy activities

Examples of what may be considered for support

- (i) Contribution to course fees/skills training
- (ii) Business start-up equipment
- (iii) Market research with economic / business relevance
- (iv) Business start-up activities e.g. proof of concept

Priority will be given to applicants that clearly demonstrate that there will be both personal and social economy benefit.

Examples of what will not be considered

- (i) Travel to interview/work fares
- (ii) Clothing for interviews
- (iii) Driving license costs

The above are general statements of principle if applying for an award please note the overall aim of the Social Investments in Social Housing Communities Strategy is to improve/develop services/capacity/ economic activity in Housing Executive areas. To this end we will consider applications from individuals and organisations/groups that can demonstrate how their personal development or that of the organisation/ group will contribute to the local social economy the application form provides opportunity to provide information on how you can meet this objective.

Applications may be submitted by an organisation for multiple persons, but depending on the availability and number of applications submitted this will be awarded accordingly.

This criteria is not exhaustive and the Housing Executive has the right to enhance / change the criteria as listed above.

Assessment of applications

- Applications will be assessed on the basis that there is a fit with the Social Housing Enterprise Strategy, that the objectives referred to above are met and that the proposed activities are suitable for public sector financial support.
